MEMORANDUM FOR THE RECORD

25X1A

SUBJECT : Concurrence in Contract No. CH-CT-700 with
David Clark Company, Inc., Worcester, Mass.
[REDACTED] Project CHALICE

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 5.

2. Contract No. CH-CT-700 covers the furnishing of pilots' personal equipment, spare parts, kits, components and data for equipment, upon request from the Supply Depot or the Contracting Officer necessary to meet the requirements of Project CHALICE. The contract is a Fixed-Price-Open-Call type and is effective for the period 1 April 1959 to 30 June 1959 with the Government having the option to renew.

3. Contract No. CH-CT-700 obligates [REDACTED] chargeable to Fiscal Year 1959 Project CHALICE funds. Approval of CHALICE funding is contained in Program Approval CHAL-0613-59 dated 23 March 1959. By concurrence to this memorandum the Comptroller signifies that sufficient funds are available for this procurement.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all 8(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, for each contract.
